

Public Holiday

Please note the Nursery will be closed on Monday the 28th of September.

Dance Teacher

Due to last years success Stephanie will be continuing to work with the children on a Friday, teaching them a variety of dance moves.

Home Link Camcorders

The children will be given the opportunity throughout the year to take home one of our home link camcorders, this allows the children the opportunity to share their home experiences with their friends. Children have access to these camcorders during the day therefore are confident in using them so please do not be afraid to let your child use them when they bring them home. All we ask is that when you are allocated a camcorder for the weekend that you return it on your child's first day back the following week. Failure to do so will prevent others from getting their turn. If however you have an occasion where you would like to borrow the camcorder please speak to a member of staff who will be happy to arrange this for you.

Parental Involvement

We are very grateful for all the support/ suggestions made over the past few years by many parents. As a valued part of the nursery we would like this support and suggestions recorded in a more formal method. As you know we plan responsively to the children's needs therefore we will be consulting with the children to decide on our new topic. This will remain the topic for however long the children are interested. A topic sheet will be placed on the parent's notice board the beginning of September detailing the new topic and it would be greatly appreciated if you have any suggestions or resources you could give or lend to help the children to achieve targets set by themselves and the key workers.

Funding

Funding will commence on the 24th of August 2009.

Policy

We have included a copy of our Personal Hygiene Policy for you to read over. We welcome any comments or suggestions you may have.

Parents Evening

There will be a parents evening held for all ante and pre school children to discuss planning and you child's folder which will be taking a new format from September 09. Your child will be allocated a Keyworker either Linsey or Christina and this information can be found on the Parents Notice Board. Linsey's Parents Evenings will be held Monday 21st and Tuesday 22nd September and Christina's Wednesday 23rd and Thursday 24th September. Time sheets can be found on the parent's notice board.

Pictures

We have been contacted by North Lanarkshire Council to ask if some of our outdoor pictures from our webpage can be used in the following publications, Learning Teaching Scotland and Early Years Matters. We are very excited about this and as soon as we receive word regarding which of the editions they will be in we will let you know.
