

Little Treasures Nursery Personal Hygiene Policy

Aims and Objectives

To ensure children establish a good personal hygiene routine which will prevent cross contamination.

Responsibilities

It is the responsibility of each member of staff to ensure that children are taught a good routine and supervised to ensure this becomes well established.

Procedure

- The emphasis is very much on making hand washing fun.
- Staff will ensure children wash hands before snack and lunchtime and after visiting the toilet and playing outdoors.
- Children will be supervised at all times when washing hands to reinforce correct method.
- The children will be taught how to wash hands correctly with mild bactericidal soap and dried with disposable towels.
