

October Newsletter

2009

Policy

We have included a copy of our Collection of Children Policy as we have a number of new children who have joined the nursery.

Public Holidays for Christmas/New Year

Friday 25th December
Monday 28th December
Thursday 31st December
Friday 1st January

High Five

High Five for Fruit will be visiting the nursery on Friday 23rd October to celebrate Halloween by making Witches Brew and Spooky Jack O'Lanterns with the children.

Greenhouse

The nursery has started work on our greenhouse with the children, so far we have used 607 bottles however we would appreciate all the bottles children can bring in as we still have some walls to complete.

Courses

Staff will be attending a number of courses over the next month which will greatly benefit the children.

Contingency Plan

Could all parents please note that a copy of the nurseries Pandemic Swine Flu Policy is displayed on the parents' notice board.

Fees

Could all parents please be aware that all fees should be paid on the first day your child is in each week.

Eco Nursery

The children have now started work in the Eco Floorbook contributing ideas and opinions. The trip to purchase the Litter Picking equipment was very successful and we will begin this over the next few weeks after further consultations with children in the Eco Floorbook. The children have also started to collect fruit and paper for the nursery compost bin, the nursery would appreciate it if children could bring in shredded paper and kitchen roll holders to contribute to our compost bin.

Extra Funded Sessions

North Lanarkshire Council have decided to fund 5 extra sessions for the children this term, the funded sessions will therefore continue during the October week to ensure all children receive these sessions.

Halloween Party

The Halloween Party will be held on Friday 30th October 2pm-4pm. All children are welcome to attend and dress up if they wish. We would ask that children do not wear scary masks as these frighten some of the younger children

Fruit Orchard

The nursery is hoping to plant a Fruit Orchard in the nursery garden. Fruit trees have been chosen by the children in partnership with our local garden centre and hopefully planting will begin in the next few months.

Ladybird Crafts

The nursery will receive a visit from a company called Ladybird Crafts who will work with the children to create Christmas Cards.
