

## **Parents Notice**

Dear Parents,

Please note as part of our outdoor development we are creating an Orchard with the children.

A gardener will be attending the Nursery on Monday 23rd November at 10am to plant the fruit trees in order to create the Orchard, and we would like to invite you all along to join in the fun.

Anyone who could attend this event their help would be greatly appreciated in both assisting the gardener and supporting the children with digging and planting.

If you require any further information or are able to attend please speak to a member of staff or alternatively send us an email.

Thanks

Karen and Staff
