

## **Trips**

A few of our children participated in very successful trips in January as part of our HPN/Eco development in nursery. On 25<sup>th</sup> January four children visited 'Watch Us Grow' located within Palacerigg where we were shown around their large garden and greenhouses. The children came back with lots of ideas for our own greenhouse. We also had the opportunity to visit Step by Step nursery on 29<sup>th</sup> January to allow our children the opportunity to observe how others use their outdoor space in as well as their greenhouse. Both visits have supported us in continuing to build links with others within our local and wider community.
