

Little Treasures Nursery Golden Rules Policy

- At Little Treasures Nursery the safety of children is paramount; therefore staff will ensure the Golden Rules are on display for children to refer to.
- Staff will discuss the Golden Rules on a weekly basis to develop children's understanding of the rules, as well as explaining the reasons we have them.
- Staff will provide a duplicate copy of the rules for parents should they wish them, ensuring consistency between home and nursery.
- Staff will be a positive role model for safe behaviour and lead by example.
- Children will always be praised whenever they behave in a safe manner and follow the rules.
