

The nursery is delighted to announce that we are finalists in the Learning Teaching Scotland Education Awards in the category of I.C.T., we are the first partnership nursery in the history of the competition to become a finalist. The judges will be visiting the nursery on Thursday 22nd April and may want to speak to both the children and parents. The winners will be announced at an awards ceremony in June however we feel it is an achievement for the nursery to have reached this stage of the competition.
