August 2010 Newsletter

Funding

Please note that funding for all 3-5 year olds will commence on Monday 16th August 2010.

School Leavers

Karen and Staff would like to wish all our pre-school children good luck and every success as they begin the next exciting chapter of their lives.

We are positive all children will do extremely well and enjoy every moment.

Home Link Camcorders

The children will be given the opportunity throughout the year to take home one of our home link camcorders, this allows the children the opportunity to share their home experiences with their friends. Children have access to these camcorders during the day therefore are confident in using them so please do not be afraid to let your child use them when they bring them home. All we ask is that when you are allocated a camcorder for the weekend that you return it on your child's first day back the following week. Failure to do so will prevent others from getting their turn. If however you have an occasion where you would like to borrow the camcorder please speak to a member of staff who will be happy to arrange this for you.

Eco

We are extremely excited about continuing our Eco work and working towards an Eco Flag! As some of you may have already noticed an Eco board is being created directly opposite the Parent's Notice Board, please feel free to have a look with your child and if you have any ideas or suggestions, simply let us know.

Also a new committee will be formed this month, consisting of children, staff, parents and carers. If you would be interested in joining our committee and helping us to reach our goal please speak with either Maryanne or Christina, who will be happy to advise on the roles.

We would also like to take this opportunity to thank our Parent Members from last year, their support and ideas were invaluable.

Staff and Children alike would be extremely grateful for your support with this project.

Keyworker

We would like to advise that we are currently organising the groups for the next term. Please note you will be able to view from Monday 9th August your child's Keyworker as a note of these will be placed on the Parental Notice Board for your reference.

Policy

Please find attached a copy of our Litter Policy. We would welcome any comments or suggestions you may have regarding this policy. Please feel free to speak to a member of staff if you have any comments.
