

Cool Milk Competition

Two of the children in the nursery have chosen to participate in the Cool Milk competition. The children had to do their own version of the Milkshake dance which was recorded by staff. The video was then uploaded to the competition website. The video with the most votes will win therefore we would appreciate parents support in voting for our videos. The videos can be found at www.worldschoolmilkday.co.uk/videos.php

GLOW

Staff have now been given accounts to access GLOW which is an online site managed by Learning Teaching Scotland. Glow provides opportunities for education staff in Scotland to share good practise, communicate with each other and collaborate on work. Glow gives staff access to high quality resources with material built specifically for the Scottish curriculum and has online resources which can enhance the learning experiences of children. Staff look forward to exploring this new resource and its benefits.

Halloween Party

The Halloween Party will be held on Friday 29th October 2.30pm-4pm. All children are welcome to attend and dress up if they wish. We would ask that children do not wear scary masks as these frighten some of the younger children

Family Information Service

North Lanarkshire Council have launched a new web-based service and telephone helpline to support families and people who work with them. The nursery has registered with the service and our information can be found on their website. A leaflet regarding the service can be found on the parent's notice board. Parents can contact the service on 01236 812281 or at www.northlanarkshire.gov.uk/familyinformationservice

Orchard

The children harvested the apples they had grown in the nursery orchard and made a delicious apple crumble this week. Please find attached a copy of recipes which use apples for you and your child to make and enjoy at home.
