Improvement Plan

Every year the nursery must create an Improvement Plan where we detail the improvements we are going to work towards over the coming year. We would like to thank all the parents who handed back the questionnaires we have given out over the last year as feedback from parents allows us to evaluate the service we provide and take appropriate action through the targets in our improvement plan. A copy of the improvement plan will be put on the parents' notice board, all parents are welcome to look at the plan and ask the staff any questions they may have. We value the opinions of all parents and as such have decided to re-introduce our Nursery Suggestions Box. This can be found on the shoe rack at reception, we appreciate any feedback from parents throughout the year.

Students

We would like to make all parents aware that the nursery now has college students attending as part of their training course.

We have two students from Cumbernauld College-

Lynn Sloan, who attends on a Thursday and Friday, is in her second year of training.

Greg Halley, who attends on a Tuesday and Wednesday, is in his first year of training.

We also have one student from Langside College-

Nicole McGovern, who attends on a Thursday and Friday, is in her first year of training.
