

Cycle Proficiency

Karen has arranged for a company to attend the nursery over a few weeks to teach the 3-5 year old children cycle proficiency. This will be beneficial to the children's learning and reinforce the nursery golden rules regarding safety.

Courses

Staff will be attending a number of courses over the next month which will greatly benefit the children.

Fees

Could all parents please be aware that all fees should be paid on the first day your child is in each week.

Eco Mascot

The nursery recently received a visit from staff at Firtrees Nursery who were kind enough to give the nursery a teddy bear. The children have decided to adopt the bear as their eco mascot and after much discussion have chosen to name the bear Kileko. Staff will use Kileko to reinforce the eco rules and tasks with children.

Facebook

It is important to the nursery that we provide a variety of media which will allow parents to discuss nursery life, provide suggestions or comment on a variety of topics related to the nursery. We have therefore decided to create a facebook page as we feel this will allow us to inform parents of nursery life and to engage feedback from parents on a regular basis.

Sports Sessions

The nursery received funding from North Lanarkshire to access four sports sessions for the children. Fundamentals will be teaching the children gymnastics every week over the coming month; they will attend on different days to ensure the maximum number of children access these sessions.

Improvement Plan

Every year the nursery must create an Improvement Plan where we detail the improvements we are going to work towards over the coming year. We would like to thank all the parents who handed back the questionnaires we have given out over the last year as feedback from parents allows us to evaluate the service we provide and take appropriate action through the targets in our improvement plan. A copy of the improvement plan is on the parents' notice board, all parents are welcome to look at the plan and ask the staff any questions they may have or provide comments. We value the opinions of all parents and as such have decided to re-introduce our Nursery Suggestions Box. This can be found on the shoe rack at reception, we appreciate any feedback from parents throughout the year.

Parents Nights

The nursery will be holding parents evening this month. Dates and time sheets will be put on the parents' notice board.

Apples

The nursery had a successful harvest of apples from our fruit trees this year. We would like to thank all the parents who cooked the apple recipes from last month's newsletters with their children and discussed their success with staff.
