

Parents Notice

Due to the content of Parents Night staff feel it would be more beneficial to host a Parents Information Evening rather than individual slots.

This will be held on Tuesday 23rd of November. We would ask all parents whose child is in their anti pre-school year to attend at 5pm and all parents whose child is in their pre-school year to attend at 5.30pm.

As you are aware your child's Keyworker is always on hand should you require any further information or wish to discuss any concerns etc you may have.
