

Inspection

The nursery recently received our annual Care Commission Inspection which went exceptionally well. The report is still in the draft stages however it should be available online in the next few weeks on the Care Commission Website at

<http://www.carecommission.com>

Karen would like to thank all the staff for the work they have been carrying out with the children, Karen stated that once again they have done excellently.

Wellies

Could all parents please ensure that your child's wellies still fit them as all children are growing continuously.

Children's Absence

Could all parents ensure that they contact the nursery if their child will be absent as the nursery is required to monitor and record absences as part of our Child Protection Policy.

Courses

Staff will be attending a number of courses over the next month which will greatly benefit the children. Staff will record all courses on our Facebook site.

Questionnaires

Could all parents please return the children's questionnaires which were recently sent home, this will be much appreciated as it allows us to evaluate the service we provide you and your child.

Outdoor Play

As we have seen a change in the weather and we are out as often as possible we ask that you please provide a change of clothes, hat, scarf and gloves that can all be left in a bag on your child's peg if preferred. Could all children also be sent with an appropriate jacket.
