

January 2011

Additional Information

Little Treasures Nursery would like to welcome all our new children and parents. We hope you all enjoy your time at nursery.

School Enrolment

Could all parents of pre-school children please be aware that your child should be enrolled at primary school from week commencing 10th January 2011. If you wish to defer your child's entry to school you must still enrol them and inform the school of your wishes, you will then be required to complete a deferred entry form which must be returned to the primary school. Could all parents please inform the nursery of the school your child will be attending as we work closely with all schools to ensure a smooth and effective transition to primary one for all children.
