Eco Flag

The nursery has recently applied for its first eco flag. As part of this process we will be receiving a visit from assessors on Tue 10th May.

Forest

The nursery is making good progress in our forest trips. The children have now identified a space they are considering using as a base camp and will now record their thoughts and findings in a forest floorbook.

Graduation

The pre-school graduation ceremony will be held on Tue 21st June at 1.30pm. All parents of pre-school children are welcome to attend.

Parental Consultation

The cycle proficiency lessons are going well and children are learning new knowledge and skills. As part of our self-evaluation process we would like to ask all parents their opinion on this topic. We would appreciate it if parents could either write a note or e-mail the nursery telling us your thoughts/ideas on the children participating in lessons and what you would like the children to get out of it. This will greatly help us in improving the service we provide.
