

Ragbag

We recently had a Ragbag Bin delivered to the nursery. The bin is situated in the far corner of the car park. Through Rag Bag we are able to help recycle textiles and clothing that may have ended up going to landfill. It is estimated that approximately 1.75 million tonnes of clothing waste is produced in the UK every year.

Out of this vast tonnage around 1.2 million tonnes is sent unnecessarily to landfill.

If we can divert some of this tonnage away from landfill we will directly help the environment and help provide good quality clothing to some of the poorest developing nations in the world.

Bags will be sent home with all children to collect any of the following items in.

We can accept the following items:
