

The nursery would like to bring to your attention that a child with a nut allergy will be attending nursery on a Tuesday and Thursday, therefore could you please ensure that you do not send your child with any nut products those days. This would be greatly appreciated and we thank you for your co-operation in ensuring the health of children when at nursery.

Could all parents of ante preschool and preschool children please hand in their funding codes as soon as possible. Failure to do so will result in your child not receiving any funded sessions.
