

## Education Awards

The nursery has been nominated for a Scottish Education Awards 2012 in the 'Active Nation' category. Two judges will be attending the nursery on Tuesday 17<sup>th</sup> April at 10.30am and wish to obtain the views of parents in this area. We appreciate that this is short notice however if you are able to attend please speak to a member of staff. If you are unable to attend that day we would highly appreciate it if you could write a letter regarding your views on the forest trips, cycling proficiency and dancing which we could then show to the judges. The award ceremony will be held in June, parents can keep up with the judging process at [www.scottisheducationawards.org.uk](http://www.scottisheducationawards.org.uk)
