

Clothing

Could all parents please provide a bag containing at least three changes of clothes for your child, which can be left on their individual peg. Obviously accidents occur or spills can happen, if you child does not have a change of clothing this may result in you being contacted to immediately bring clothing to nursery.

Forest

We would like to thank some of our parents for the input they provided to our Forest Risk Assessment both verbally and those who participated in the forest walk to assess the area visually. It was greatly appreciated and allowed the nursery to ensure the safety and enjoyment of the forest trips for the children and staff.

Policy

Please find attached a copy of our Toilet Training Policy. We would welcome any comments or suggestions you may have regarding this policy, parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff if you have any comments or suggestions.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Parental Engagement

We would like to thank Laura, one of our parents for coming in to speak to the child about the job she does and why it is important. The children gained a great deal of knowledge and greatly enjoyed the experience.

Resources

The nursery has a number of topic bags for parents to borrow and use with their children. There are wish bags for the two year olds and Blue Bags, for all children to use. Please speak to a member of staff if you are interested in borrowing these resources.
