### Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

### Harvest

We would like to thank everyone who contributed to our Harvest basket. Jo from the Salvation Army visited the nursery to thank the children for their donation and discuss with them where the food would go and why their kind donation was so important.

### Funding

The government funding will begin on Mon 7<sup>th</sup> Jan. Funding codes will be sent to parents of all children who receive funding. Failure to hand in your code will result in the withdrawal of funding for your child.

### Inspection

Our recent inspection by the Care Inspectorate went extremely well and we are delighted by the result. Parents will be provided with the link to the report once the finalised copy is available.

### School

All pre-school children should be enrolled at their chosen school in January. Please contact your school to confirm their enrollment dates.

### Learning Stories

Your child will be receiving their Learning Story home in January. If you would like to add any achievements your child has made outwith nursery it would be greatly appreciated as this gives your child the opportunity to share such experiences with their friends. It also gives you a chance to speak with your child regarding experiences they have been involved in at nursery. Please remember however that the learning stories are a personal document which only records their achievements, all other planning and experiences your child has been involved in are recorded in their group floorbook, which you can have a look at any time.

Staff would appreciate if you could keep the learning stories no more than a week to allow them to keep up to date with filing
