

Little Treasures Newsletter

February 2013

Attendance

Children who only attend the nursery for their funded sessions are not due in on Mon 11th Feb, Tue 12th Feb and Wed 13th Feb.

Questionnaires

Could all parents please return the children's questionnaires which were sent home, this will be much appreciated as it allows us to evaluate the service we provide you and your child.

Marie Curie

Due to its success last year the children have once again grown daffodils to raise money for Marie Curie Cancer Research. To celebrate their achievements the nursery will be having a Mini Pots of Care day on Mon 25th Feb. Children will have the opportunity to participate in various fun experiences to develop their understanding of caring for others and making people smile.

However if your child will be at nursery on Monday 25th Feb we would be grateful if they could wear a yellow item of clothing that day in keeping with Marie Curie's theme of yellow daffodils.

Funding

Could all parents please be aware that there will only be 2 government funded sessions on the week commencing 11th February. Fees for this week will be adjusted to accommodate this.

Gate

It has been brought to our attention that the gate is still being left open. This issue has been in several newsletters and notes have been handed out to parents yet this is still happening. I cannot stress enough that this is unacceptable, please be aware that staff cannot stand next to the gate and ensure it is locked and that we put trust in our parents to carry this security procedure out when entering and leaving. We appreciate all the parents who are vigilant in locking the gate and in pointing out those who do not and thank them for their co-operation.
