

Arts & Crafts

As part of the Mini Pots of Care process we will be making cardboard daffodils with the children to reinforce the learning the children gain from participating in this worthwhile cause. We would appreciate it if parents could hand in cardboard egg boxes they no longer need to support children in this experience.

Policy

Please find attached a copy of our Health, Illness and Emergency Policy. We would welcome any comments or suggestions you may have regarding this policy, please feel free to speak to a member of staff.

Clothing

Could all parents please provide at least two full changes of clothes for their child, which can be stored on their pegs, as you can appreciate that accidents do occur, and your child may require to be changed. However if we do not have adequate clothing then we may have to contact you as a result.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Courses

Staff will be attending a number of courses over the next month which will greatly benefit the children.

Eco Meeting

The next eco meeting will take place on Tuesday 5th Feb at 2.30pm. All parents will be sent a copy of the meeting minutes. Please speak to a member of staff if you have any comments or suggestions regarding our eco work.

Inspection

The nursery recently received our inspection from the Care Inspectorate which went exceptionally well. The report is still in the draft stages however it should be available online in the next few weeks on the Care Inspectorate Website at <http://www.careinspectorate.com>

The nursery will be holding a party with the children to celebrate this excellent achievement.
