

HMIe

Aileen Valenti, our HMIe Officer, will be sending several of her staff to the nursery in June to observe all the good practice and wide variety of experiences that occur within our nursery on a daily basis. We are honoured that Aileen has chosen our nursery and look forward to welcoming her team. Please be aware that the team may wish to ask parents questions on the nursery and the experiences your child participates in, we appreciate your co-operation in this.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Policy

Please find attached a copy of our Collection of Children Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Wellies

Could all parents please ensure that your child has a pair of wellies in nursery and that they still fit them as all children are growing continuously.

Suncream

Could all parents please supply a bottle of suncream (SPF40+) as the weather is getting warmer. Sunhats will be provided by the nursery.

Eco Action Week

The nursery will be having an Eco Action Week commencing Monday 3rd June to promote the importance of being eco friendly and the benefits to our health. Children will therefore be participating in a variety of eco related experiences.
