Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Mini Movers

Children who attend on a Wednesday morning will have the opportunity to participate in the NLC Mini Movers scheme in partnership with the NHS.

Mini Movers will be providing a variety of energetic experiences and dancing for the children. We look forward to participating in a scheme which will greatly benefit the children's health and wellbeing and allow them to understand the benefits of having an active and healthy life.

Wipes

Due to the drainage system at the nursery flushable wipes cannot be flushed down the toilets. We would appreciate it if the parents of all children who use these wipes at nursery hand the wipes to staff. This will allow staff to ensure the wipes can be binned as opposed to flushed. We thank you for your co-operation.

Policy

Please find attached a copy of our Arrivals and Departures Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Gate

It has been brought to our attention that the gate is still being left open. This issue has been in several newsletters yet this is still happening. I cannot stress enough that this is unacceptable, please be aware that staff cannot stand next to the gate and ensure it is locked and that we put trust in our parents to carry this security procedure out when entering and leaving. We appreciate all the parents who are vigilant in locking the gate and in pointing out those who do not and thank them for their co-operation.

Open/Close Times

Can we please remind parents that the nursery opening time is 8am - 6pm.

Staff cannot accept responsibility for children before 8am, we would appreciate all parents ensuring that it is 8am before they leave the nursery. We would also like to point out that, while we accept that situations occur to make parents late to collect their children, staff must be informed in all situations and that this must not be a regular occurrence.

Thank you.
