

Little Treasures Newsletter

August 2013

Public Holiday

The nursery will be closed Monday 30th September. There will be no charge for that day.

Welcome

We would like to welcome all the new children and their families to the nursery. We hope you enjoy your time with us and we look forward to working with you over the coming years.

Improvements

We would like to make all parents aware that over the next few weeks the nursery will be painted and a new kitchen will be installed.

Computer

The nursery is having a new computer system installed over the next few days. The new computer is designed to be interactive allowing all children to easily access and develop their I.C.T skills.

Funding

Please note that funding for all 3-5 year olds will commence on Friday 16th August 2013. Parents will be advised via the newsletter of any dates your child will not receive funding over the next year.

Greenhouse

Over the last few weeks the children have been successfully growing a variety of vegetables in their greenhouse. The children have been developing their literacy and numeracy skills by labeling their vegetables and measuring them as they grow. The vegetables are now ready to harvest and the children will be making salad as part of their snack over the coming days.
