

Little Treasures Newsletter

October 2013

Funding

Could all parents please be aware that there will be no government funded sessions for the week commencing 14th Oct. Funding will begin again Mon 21st Oct. Fees for this week will be adjusted to accommodate this. Children who only attend the nursery for their funded sessions are not due in that week.

Charity

As you are aware the nursery held a coffee morning for Macmillan Cancer Support. To further develop the children's understanding of charity and its importance in people's lives we will be having a pyjama week from week commencing Tuesday 1st Oct where for the cost of 50p the children can attend in their pyjama's, or alternatively bring them in and be changed by staff. There will be a competition 'Guess how many beans in the coffee jar', displayed on the kitchen window, which you are more than welcome to have a go at for 50p a guess. The children will also be baking cakes and displaying artwork, any donations to purchase these will be greatly appreciated. All money raised will be forwarded to Macmillan Cancer Support to help provide nurses, therapists and advisers to ensure that no one has to go through cancer alone.

We look forward to continuing our charity work in the future as children continue to learn how to make others smile.

Childsmile

The Childsmile team will be attending the nursery on Wed 23rd Oct and Thurs 24th Oct at 9.30am to administer the fluoride paste to all children aged three years and over. We would appreciate it if parents of children not in that day bring their child in for this treatment.

New staff

We would like to welcome our two new staff members Samantha Greig and Chloe Galbraith to the nursery. We hope all parents will work with us in ensuring Samantha and Chloe feel part of the nursery team.

Halloween Party

The Halloween Party will be held on Thursday 31st October 2.30pm-4pm. All children are welcome to attend and dress up if they wish. We would ask that children do not wear scary masks as these frighten some of the younger children.
