

Little Treasures Newsletter

February 2014

Attendance

Children who only attend the nursery for their funded sessions are not due in on Mon 10th Feb, Tue 11th Feb and Wed 12th Feb.

Funding

Could all parents please be aware that there will only be 2 government funded sessions on the week commencing 10th February. Fees for this week will be adjusted to accommodate this.

Scotland

Over the last few weeks the children have been learning about Scottish Culture. This has included Scottish literature and songs which use slang and old Scottish language. A copy of the songs has been provided on the planning board to allow parents to continue and support their child's learning at home.

Front Door

Could all parents please refrain from allowing their child to unlock the nursery front door. All doors within the nursery should only be opened by adults for security reasons. We appreciate your co-operation in this matter.

Funding Code

Could all parents who have still to hand in their child's funding code please do so as soon as possible. Failure to hand in your code will result in the withdrawal of funding for your child.

Gate

It has been brought to our attention that the gate is still being left open. This issue has been in several newsletters since it was first pointed out in October 2012 yet this is still happening. I cannot stress enough that this is unacceptable, please be aware that staff cannot stand next to the gate and ensure it is locked and that we put trust in our parents to carry this security procedure out when entering and leaving. We appreciate all the parents who are vigilant in locking the gate and in pointing out those who do not and thank them for their co-operation.
