

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Artwork of the Week

As you are aware one child's artwork is chosen as our artwork of the week. We are looking for your support in this project and would ask if you have any feedback regarding the artwork to note it down on the post-its provided and place it next to the artwork displayed next to the children's sign in board entitled 'Art Work of the Week'. By doing so you will help support and encourage the children's self-worth and confidence. Any comments you make will be placed in the artwork of the week floorbook.

Childsmile

The Childsmile team will be attending the nursery on Tue 18th February at 9.30am to administer the fluoride paste to all children aged three years and over. We would appreciate it if parents of children not in that day bring their child in for this treatment.

Policy

Please find attached a copy of our Arrivals and Departures Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Eco Meeting

The next eco meeting will take place on Tuesday 27th Feb at 10am. All parents will be sent a copy of the meeting minutes. Please speak to a member of staff if you have any comments or suggestions regarding our eco work.

Absence

Could all parents please inform the nursery if your child is going to be absent. It is part of our Child Protection policy that if a child is absent for two days without informing nursery then we must contact you. As you can appreciate this is very time consuming and takes away time that could be spent with the children.
