

Just Giving

We've successfully processed your donation to Vincent's page and we'll transfer it directly to Anthony Nolan's bank account.

Donation Reference – D55702709

Date – 24 April 2014

Charity Registration Number – Scotland SC038827

Donation Amount – £260.00

Gift Aid - £65.00

Total Amount - £325.00

**A message from your charity**

Thank you for your generous donation in support of Anthony Nolan. Anthony Nolan is a pioneering charity that saves the lives of people with blood cancer. Your donation will help to fund our lifesaving work. If you would like to find out more about Anthony Nolan, and how you can get involved, please visit [www.anthonynolan.org](http://www.anthonynolan.org) for more information.

Thank you so much.

**A message from your fundraiser**

Dear Boys and Girls at Little Treasures Nursery,

Thank you very much for your donation. It really means a lot to the Anthony Nolan Charity and Harkin's Family.

We would also ask if possible you can spare some time and visit [www.anthonynolan.org](http://www.anthonynolan.org) for 16-30 year olds and join the register to become a donor and help save lives. Alternatively please read the following information to join the NHS Register for 18-49 year olds.

**How can I join the register?**

You must be aged between 18 and 49 years old (registered before your 50th birthday) and be a blood donor. You can join when you next give blood, or at the same time as your first donation. We will check that there is no medical reason preventing you from being both a blood donor and a stem cell donor. At the time of your blood donation we will take an extra blood sample, so that we can identify your tissue type for the registry from your DNA - the genetic material our bodies are made up from. Please inform the staff at the blood donation session that you wish to join the BBMR before your blood donation is taken.

Thanks again.
