

Little Treasures Newsletter

July 2014

Spiders

The children have been learning about Spiders recently, and have demonstrated they are effective contributors and successful learners as they have created and designed both collective and individual art pieces, displays, charts and graphs.

Good Practice

We would like to take this opportunity to say a big 'Well Done' to all the children that participated in and achieved their Cycling Proficiency certificate. All children demonstrated that they were confident individuals and successful learners as they followed all information and instructions given to them and independently carried them out. This in turn developed children's confidence in independently using, balancing and riding our two wheeled bikes. We look forward to continuing this programme in the months to come.

Commonwealth Games

Our Dance Teacher Stephanie will be participating in the opening ceremony of the Commonwealth Games on the 23rd July. We would like to wish Stephanie the best of luck in this exciting opportunity. Stephanie also participated in a flash mob in George Square to promote the Commonwealth Games, videos of this can be found on YouTube.

Little Seedlings Club

The Dobbies Little Seedlings Club is a free-to-join gardening club where youngsters aged between 4-10, learn about plants, wildlife and the environment.

Meets on the first Sunday of every month in every Dobbies Garden Centre throughout the UK (times in store vary).

When each Little Seedling joins, Dobbies give them a free welcome pack with a special children's lunch offer which can be used after each event. Community Champions also arrange Little Seedlings Club workshops in local schools.
