Family Fun and Wish Bags

Over the summer staff have been working on developing and improving both our Family Fun and Wish Bags. We have created 3 Fun Bags and 9 Wish Bags which over time you will have the opportunity to borrow to use at home with your child.

These bags are intended to encourage effective early development and learning in children, especially in the key areas of Literacy, Numeracy and Health and Wellbeing, which in turn supports children as they become Confident Individuals, Effective Contributors, Responsible Citizens and Successful Learners.

We would ask that you keep the bag for approximately one week to allow your child the opportunity to fully explore and use the contents and resources within the bags effectively.

We have also included a new evaluation sheet within each bag. We would be extremely grateful if you could complete this before returning the bags to the nursery as this allows staff to continue to develop and improve the bags, which in turn improves and develops children's learning.

We would like to take this opportunity to once again thank you for your continued support in developing children's learning and hope that you have great fun using the variety of bags on offer with your child.

Should you require any further information regarding the bags please feel free to speak with a member of staff who will be happy to answer any questions, queries or concerns you may have.

Thank You!

Charity Feedback Form

We would also be grateful if anyone who hasn't already done so could return their Charity Feedback Forms as soon as possible, as this allows the nursery the opportunity to evaluate and take on board your valued opinions, ideas, feelings and suggestions as we move and develop children's understanding and learning of charity forward next term.

Please note that anyone who has been off for the summer holidays will receive a form next week on return to nursery.

Thank you!
