

Policy

Please find attached a copy of our Health and Wellbeing Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Wellies

Could all parents please ensure that your child has a pair of wellies and indoor shoes in nursery and that they still fit them as all children are growing continuously.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

2 year old funding

Due to the implementation of the new Children and Young Persons Bill a new law has been introduced which will allow 2 year olds from families who fit a certain criteria to attend nursery. Leaflets are available from Christina providing information on the NLC scheme to meet this new law. Further information can also be found at www.scottishfamilies.gov.uk

Flu

The NHS is now immunising children aged between 2 years and 11 years old against the flu. A press campaign is currently being deployed with posters provided and displayed in the local community and nursery. Further information on this scheme can be found at www.immunisationscotland.org.uk/childflu

Clothing

Could all parents please provide a bag containing at least three changes of clothes for your child, which can be left on their individual peg. Obviously accidents occur or spills can happen, if your child does not have a change of clothing this may result in you being contacted to immediately bring clothing to nursery.
