

Policy

Please find attached a copy of our Numeracy Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Courses

Staff will be attending courses in Numeracy and Mathematics this month which will allow us to evaluate our current provision and make improvements that will develop the staff and children's knowledge and skills in this area.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Coffee Morning

We will be holding a coffee morning on Friday 3rd October from 10am-11.30am in aid of the Cystic Fibrosis Trust. This charity is close to our hearts as one of our children suffers from this condition. We hope you will be able to join us in raising money for this worthy cause. We welcome any home baking you wish to contribute. Please don't forget to record your contributions on the Parents Contribution sheet located on the Parents Notice Boards as we greatly value all time and effort given.

Improvement Plan

Every year the nursery must create an Improvement Plan where we detail the improvements we are going to work towards over the coming year. We would like to thank all the parents who handed back the questionnaires we have given out over the last year as feedback from parents allows us to evaluate the service we provide and take appropriate action through the targets in our improvement plan. Over the coming year we will be developing our planning system, developing our skills in assessment through numeracy and creating science topic boxes as all of these targets will allow us to improve staff and children's skills and knowledge and support all our development in these areas. A copy of the improvement plan will be placed on the parents' notice board, all parents are welcome to look at the plan and ask the staff any questions they may have or provide comments.
