

Policy

Please find attached a copy of our Medication Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Vision Screening Test

This is a reminder that the Pre-School Orthoptist visit for all those who wish to have their child's eyes tested will take place on Mon 3rd Nov at 09.30am. Please be aware that this is for children who will attend school next August only.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Questionnaires

At the end of November staff will be sending home questionnaire's to consult both parents and the children on a variety of areas within the nursery. We would appreciate your co-operation in discussing and completing the questionnaire with your child as all answers given will help us in evaluating the service and improving the quality of care and experiences we provide.

Outdoor Play

As we have seen a change in the weather and we are out as often as possible we ask that you please provide a change of clothes, hat, scarf and gloves that can all be left in a bag on your child's peg if preferred. Could all children also be sent with an appropriate jacket.

Facebook

It is important to the nursery that we provide a variety of media which will allow parents to discuss nursery life, provide suggestions or comment on a variety of topics related to the nursery. We would therefore like to remind parents that the nursery has a Facebook page as we feel this allows us to inform parents on nursery life and to encourage feedback from parents on a regular basis.
