Children and Parents Questionnaires

Over the next two weeks staff will be handing out Parent's Questionnaires and Children's Questionnaires consulting parents and children on their view of the nursery. Your participation in this would be much appreciated as it allows us to evaluate the service we provide and enables us to address any improvements suggested in our annual nursery Improvement Plan. We are also grateful for your co-operation in discussing and completing the questionnaire with your child as the children's answers will help us in evaluating the service and improving the quality of care and experiences we provide.
