Improvement Plan

Every year the nursery must create an Improvement Plan where we detail the improvements we are going to work towards over the coming year. We would like to thank all the families who handed back the questionnaires we have given out over the last year as feedback from parents and children allows us to evaluate the service we provide and take appropriate action through the targets in our improvement plan. Over the coming year we will be developing our planning system, working on our relationships with other establishments children attend and creating science topic boxes as all of these targets will allow us to improve staff and children's skills and knowledge and support all our development in these areas. A copy of the improvement plan will be placed on the parents' notice board by the end of August, all parents are welcome to look at the plan and ask the staff any questions they may have or provide comments.

Resource Library

We would like to draw your attention to our Parent and Staff Resource Library located next the snack area. Over the years staff have accumulated information and books from various training courses that are beneficial to the children's learning and development. Parents are free to browse our resource library at any time. Should you wish to borrow any of the resources please speak with a member of staff who will be happy to arrange this for you.
