

## Football Initiative

From the 2<sup>nd</sup> of October we will introduce a new initiative to the nursery once a week with the hope of extending it in the future.

This is a fantastic opportunity for the children as it will promote and further develop positive attitudes/behaviours, confidence, team spirit, problem solving, positioning, being energetic and understanding that being active is a healthy way to be.

We have a coach (Cameron) providing this programme. Cameron has had many years of playing football in boys clubs and pro youth teams and he is now working towards his coaching badges and he is looking forward to working with the children at Little Treasures Nursery.
