

Policy

Please find attached a copy of our Late Collection and Non-collection Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Clothing

Could all parents please provide a bag containing at least three changes of clothes for your child, which can be left on their individual peg. Obviously accidents occur or spills can happen, if your child does not have a change of clothing this may result in you being contacted to immediately bring clothing to nursery.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Improvement Plan

Every year the nursery must create an Improvement Plan where we detail the improvements we are going to work towards over the coming year. We would like to thank all the parents who handed back the questionnaires we have given out over the last year as feedback from parents and children allows us to evaluate the service we provide and take appropriate action through the targets in our improvement plan. Over the coming year we will be developing our planning system, developing our relationships with other establishments catering to split funding children and creating science topic boxes as all of these targets will allow us to improve staff and children's skills and knowledge and support all our development in these areas. A copy of the improvement plan will be placed on the parents' notice board, all parents are welcome to look at the plan and ask the staff any questions they may have or provide comments.

Eco

We are extremely excited about continuing our Eco work and working towards our fourth Eco Flag! A new committee will be formed this month, consisting of children, staff, parents and carers. If you would be interested in joining our committee and helping us to reach our goal please speak with a member of staff who will be happy to advise on the role of the committee.

We would also like to take this opportunity to thank our Parent Members from last year, their support and ideas were invaluable.

Staff and Children alike would be extremely grateful for your support with this project.

Staff Achievements

I would like to draw your attention to the new staff achievements display located opposite the children's pegs. This display highlights staff, their current qualifications and certificates from some of the courses staff participate in over the year. Please feel free to discuss the display and any information with staff members.
