Eco

The nursery is pleased to announce that we have been successful in gaining our third Eco Flag. We will now be moving on to new topics which we will cover over the next two years as we work towards our fourth eco flag. These topics are Energy, Sustaining our World and Litter (Litter is a mandatory topic and must be carried out every year). We would greatly appreciate any ideas or suggestions that parents have or resources you could provide that will support staff in working with children to build our knowledge and gain new skills as we work together on these topics.
