

Staff

As you may all know the nursery is currently trying to recruit new staff. We would appreciate input from parents on the qualities you are looking for in staff members. Therefore consultation sheets are now at the lending library for parents to complete and post in the suggestions box. All candidates we feel appropriate will be brought in over the coming month for trial days to allow children and parents to meet them, this also allows staff to assess their abilities with the children and their willingness to work and be part of the team.

Earth Hour

World Earth Hour will be held on Sat 19th March at 8.30pm when people and governments around the world turn off all lights and electrical appliances for one hour to emphasise the importance of conserving energy to help our planet. As an eco-nursery we emphasise the importance of our roles in saving the planet with the children. If you are able to participate in this experience staff would appreciate any footage you can pass on to the nursery which will allow us to record this in your child's learning story and reinforce children's learning within nursery.

Policy

Please find attached a copy of our Nutrition and Mealtimes Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff if you have any comments or suggestions.

Resource Library

We would like to draw your attention to our Parent and Staff Resource Library located next the snack area. Over the years staff have accumulated information and books from various training courses that are beneficial to the children's learning and development including the NHS Lanarkshire Nutrition and Oral health document which the nursery helped write as part of a focus group. Parents are free to browse our resource library at any time. Should you wish to borrow any of the resources please speak with a member of staff who will be happy to arrange this for you.

Healthy Recipe

Please find attached a copy of a healthy recipe from the NHS Lanarkshire Nutrition and Oral Health Document for you and your child to make and enjoy.

Public Holidays

The nursery will be closed Monday 28th March
There will be no charge for this day.

Contact numbers

Could all parents please ensure all their contact numbers are up to date as recently staff have had to spend a considerable amount of time phoning various numbers before being able to reach parents and on some occasions all phone numbers on the enrolment form were now incorrect. It is extremely important that in the event of an emergency staff are able to contact parents quickly and we would appreciate your co-operation in this matter.
