

Clothing

Could all parents please provide a bag containing at least three changes of clothes for your child, which can be left on their individual peg. Obviously accidents occur or spills can happen, if your child does not have a change of clothing this may result in you being contacted to immediately bring clothing to nursery.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Wellies

Could all parents please ensure that your child has a pair of wellies in nursery and that they still fit them as all children are growing continuously.

Register

Could all parents please ensure that you sign your child in and out of the nursery on the register. This is to ensure the safety of your child.

Policy

Please find attached a copy of our Choking Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Eco

We are extremely excited about continuing our Eco work and working towards our fourth Eco Flag!

A new committee was formed in August, consisting of children and staff however we had no parent/carer volunteers. If you would be interested in joining our committee and helping us to reach our goal please speak with Christina or Jackie who will be happy to advise on the role of the committee.

We would also like to take this opportunity to thank our Parent Members from last year, their support and ideas were invaluable.

Childsmile

The Childsmile team will be attending the nursery on Thursday 10th March at 10am to administer the fluoride paste to all children aged three years and over. We would appreciate it if parents of children not in that day bring their child in for this treatment.
