

Snack Notice

As you will be aware we have been sending out weekly snack menu for the past six weeks ensuring the children are developing their understanding of the importance of a varied and balanced diet in supporting a healthy lifestyle. We are going to rotate menus on a six week cycle, this means we are now back to menu one. Menus will be displayed on the kitchen door for all parents and children to view. We are aiming to make this a display where children and parents alike can add their thoughts and feelings about snack, therefore please feel free to do so.

Please note that these menus are variable and during periods where we as a nursery are celebrating an occasion children will have the opportunity to try foods over and above those on the weekly menu, for example with Easter approaching children will be sampling foods related to Easter, such as hot cross buns.

As always we value your opinions with the snack menus, therefore if there is something you would like your child to try or feel there are items of food that may be good to add to our menus, please feel free to let us know. You can do this by either by speaking with a member of staff or alternatively you can share your thoughts and opinions via our new feedback form found online via our webpage.

We would like to take this opportunity to thank you in advance for your continued support in helping the nursery develop children's learning, as well as offer a high quality service.
