Funding

Could all parents please be aware that there will be reduced government funded sessions on the weeks commencing 2nd May, 23rd May and 30th May. Fees for these weeks will be adjusted to accommodate this.

Graduation

The pre-school graduation ceremony will be held on Fri 10th June at 1.45pm. All families of pre-school children are welcome to attend. The ceremony will last for approximately 45 minutes.

Children's Learning

Recently the children have been developing their awareness of letters and learning about the alphabet. In doing so the children have been enjoying exploring the patterns and sounds of language, discovering how letters, sounds and words work together. We would like to encourage the children to continue their awareness of letters at home, therefore we have created a 'Can You Find' book which the children can use to identify items at home which begin with each letter of the alphabet and record what they have found within the book. The book allows the children to develop their literacy skills and record their ideas using both words and illustrations. Once completed the children can return the book to nursery to share their findings with their peers.

If this is something you would be interested in doing with your child please speak with a member of staff who will be delighted to provide you with a copy of the book to take home.

Please feel free to bring or send in pictures electronically of your child completing their book which can be added to both their floorbook and learning stories.
