

Staff

As you may all know the nursery is currently trying to recruit new staff. We would appreciate input from parents on the qualities you are looking for in staff members. Therefore consultation sheets are now at the lending library for parents to complete and post in the suggestions box. All candidates we feel appropriate will be brought in over the coming month for trial days to allow children and parents to meet them, this also allows staff to assess their abilities with the children and their willingness to work and be part of the team.

Parent Consultation

At Little Treasures Nursery, we continuously strive to offer the highest quality of service possible to all our service users.

We value all our service users feedback, comments, suggestions, opinions including areas you feel we could improve or support you with. With this in mind we have implemented a feedback section on our nursery website, littletreasures.org, to provide parents/carers with an additional system to provide feedback to the nursery. All comments/suggestions made can either be anonymous or, if you wish, there is a section to insert your name.

We would therefore encourage all of our service users to use this form to support us in continuing to provide a high quality of service.

Policy

Please find attached a copy of our Sun Care Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the shoe rack, if you have any comments or suggestions.

Funding

The government funding for the 3-5 years olds finishes on Wednesday 29th June for the summer. Funding will recommence on Wednesday 17th August.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Resource Library

We would like to draw your attention to our Parent and Staff Resource Library located next the parents' notice board. Over the years staff have accumulated information and books from various training courses that are beneficial to the children's learning and development including the NHS Lanarkshire Nutrition and Oral health document which the nursery helped write as part of a focus group. Parents are free to browse our resource library at any time. Should you wish to borrow any of the resources please speak with a member of staff who will be happy to arrange this for you.

Contact numbers

Could all parents please ensure all their contact numbers are up to date as recently staff have had to spend a considerable amount of time phoning various numbers before being able to reach parents and on some occasions all phone numbers on the enrolment form were now incorrect. It is extremely important that in the event of an emergency staff are able to contact parents quickly and we would appreciate your co-operation in this matter.
