

Home Link Schemes

Staff are delighted by the recent success and support received with the introduction of our new library home link scheme. It is such a valuable scheme in supporting the development of children's literacy, numeracy and wellbeing skills; therefore we would like to thank you for your continued support.

We have created an area beside the library where we would love to create a picture collage of children participating within these schemes, therefore we would ask if you have any pictures of your child using the books, blue bags or wish bags that you either please hand them in to a member of staff or email them to the nursery - nursery@littletreasures.org where we would be delighted to print them off to create our photo collage.

Thanks once again!

Little Treasures Staff Team
