

Little Treasures Newsletter

August 2016

Funding

Please note that funding for all 3-5 year olds will commence on Wednesday 17th August 2016. Parents will be advised via the newsletter of any dates your child will not receive funding over the next year.

Pillow Case

Could parents please provide a pillowcase for your child's peg to hold completed art work for you to collect. Please note work in pillowcases will be recycled weekly therefore we ask all parents to ensure they collect all artwork on their child's last day.

Sponsored walk

The nursery will be holding a sponsored walk on Saturday 3rd September for Ronald McDonald House for the whole family to enjoy. Our walk will start at Broadwood Stadium, we will then walk to the wooden playpark a third of the way round the loch where we will stop for a snack before walking back to the stadium.

Please speak to Christina or Jackie if you have any questions or to request a sponsor sheet.

Parent Area

We would like to draw your attention to our Parents area located between the front door and reception. We have created this space to provide children and their families with an area where they can share their child's learning through their individual Learning Stories, planning board and parental consultation and access resources that can be taken home as well as enjoyed at nursery. We hope all our families enjoy this area, please feel free to speak to a member of staff if you feel this area can be improved in any way.

Improvement Plan

Every year the nursery must create an Improvement Plan where we detail the improvements we are going to work towards over the coming year. We would like to thank all the families who handed back the questionnaires we have given out over the last year as feedback from parents and children allows us to evaluate the service we provide and take appropriate action through the targets in our improvement plan. Over the coming year we will be working on our relationships with other establishments children attend and creating a Play on Pedal scheme to include the whole family as these targets will allow us to improve staff and children's skills and knowledge and support all our development in these areas. A copy of the improvement plan will be placed on the parents' notice board by the end of September, all parents are welcome to look at the plan and ask the staff any questions they may have or provide comments.
