

Gate

It has been brought to our attention that the gate is still being left open. This issue has been in several newsletters since it was first pointed out in October 2012 yet this is still happening. I cannot stress enough that this is unacceptable, please be aware that staff cannot stand next to the gate and ensure it is locked and that we put trust in our parents to carry this security procedure out when entering and leaving. We appreciate all the parents who are vigilant in locking the gate and in pointing out those who do not and thank them for their co-operation.

Juice

As the nursery provides all children with milk and water on a daily basis we would ask that parents therefore do not send juice in their lunchboxes. Smoothies are still acceptable as they count as part of your child's daily fruit intake.

Thank you this would be appreciated.

Register

Could all parents please ensure that you sign your child in and out of the nursery on the register. This is to ensure the safety of your child.

Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

Halloween Party

The Halloween Party will be held on Monday 31st October 2.00pm-3.30pm. All children are welcome to attend and dress up if they wish. We would ask that children do not wear scary masks as these frighten some of the younger children.

Sponsored walk

The nursery will be holding a sponsored walk on Saturday 3rd September for Ronald McDonald House for the whole family to enjoy. Our walk will start at Broadwood Stadium at 10am; we will then walk to the wooden playpark a third of the way round the loch where we will stop for a snack before walking back to the stadium. Please speak to Christina or Jackie if you have any questions or to request a sponsor sheet.

Policy

Please find attached a copy of our Late Collection and Non-collection Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff or complete a comments sheet, located at the Learning Stories, if you have any comments or suggestions.
