## Nursery Funding

Could all parents be aware that the funding for the pre-school and ante pre-school children will start again on Monday 9<sup>th</sup> January. Fees will be adjusted to accommodate this. Funding codes will be sent to parents of all children who receive funding. Failure to hand in your code will result in the withdrawal of funding for your child.

## Policy

Please find attached a copy of our Literacy Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff if you have any comments or suggestions.

## Healthy Recipe

Please find attached a copy of a healthy recipe for you and your child to make and enjoy.

## School

All pre-school children should be enrolled at their chosen school in January. Please contact your school to confirm their enrolment dates.

## Funding Application

Could parents of two year old children please ensure they return their Government Funding application form as soon as possible or you may not receive funding when your child turns 3.

## Contact numbers

Could all parents please ensure all their contact numbers are up to date and that you have completed the new enrolment forms, which were handed out last summer, as recently staff have had to spend a considerable amount of time phoning various numbers before being able to reach parents and on some occasions all phone numbers on the enrolment form were now incorrect. It is extremely important that in the event of an emergency staff are able to contact parents quickly and we would appreciate your co-operation in this matter.

## Questionnaires

Could all parents please ensure that you return the nursery questionnaires. We appreciate your co-operation in discussing and completing the questionnaire with your child as all answers given will help us in evaluating the service and improving the quality of care and experiences we provide.

## Allergies

The nursery would like to bring to your attention that children with a nut allergy attend the nursery, therefore could you please ensure that you do not send your child with any nut products. This would be greatly appreciated and we thank you for your co-operation in ensuring the health of the children when at nursery.

## Funding

Could all parents please be aware that there will only be 2 government funded sessions on the week commencing 13<sup>th</sup> February. Fees for this week will be adjusted to accommodate this.

## Attendance

Children who only attend the nursery for their funded sessions are not due in on Mon 13<sup>th</sup> Feb, Tue 14<sup>th</sup> Feb and Wed 15<sup>th</sup> Feb.
