## Policy

Please find attached a copy of our Numeracy Policy. We would welcome any comments or suggestions you may have regarding this policy. Parental engagement is an important aspect of nursery life as it allows us to meet your expectations and provide the best possible care for your child. Please feel free to speak to a member of staff if you have any comments or suggestions.

## Resource Library

We would like to draw your attention to our Parent and Staff Resource Library located next to the children's pegs. Over the years staff have accumulated information and books from various training courses that are beneficial to the children's learning and development including the NHS Lanarkshire Nutrition and Oral health document which the nursery helped write as part of a focus group. Parents are free to browse our resource library at any time. Should you wish to borrow any of the resources please speak with a member of staff who will be happy to arrange this for you.

## Contact numbers

Could all parents please ensure all their contact numbers are up to date and that you have completed the new enrolment forms, which were handed out last summer, as recently staff have had to spend a considerable amount of time phoning various numbers before being able to reach parents and on some occasions all phone numbers on the enrolment form were now incorrect. It is extremely important that in the event of an emergency staff are able to contact parents quickly and we would appreciate your co-operation in this matter.
