Outdoor work

Yvonne recently attended training on Forest Kindergartens. In order to assist us in effectively providing the best outdoors experiences for your children we are asking if parents can hand in any of the following items that you may no longer use.

Ribbons (of any length), string, rope, pegs, scraps of material or tarpaulin.

We would appreciate any contributions that you can make and we thank you for your co-operation. Please feel free to discuss this with a member of staff.

Nursery Funding

Could all parents be aware that the funding for the pre-school and ante pre-school children finishes on Friday 31st March. The funding will start again on Tuesday 18th April. Fees will be adjusted to reflect this. Children who only attend nursery for their 3-5 year old funded hours are not due in those weeks.

Public Holidays

The nursery will be closed Monday 17th April

There will be no charge for this day.

Bank Details

Could all parents please be aware that as the nursery banked with Airdrie Savings Bank, which is now closing, our bank details have changed to HSBC. Please speak to a member of staff if you would like us to provide a copy of our new details.

Childsmile

The Childsmile team will be attending the nursery on Tuesday 21st March at 10am to administer the fluoride paste to all children aged three years and over. We would appreciate it if parents of children not in that day bring their child in for this treatment.

Earth Hour

World Earth Hour will be held on Sat 25th March at 8.30pm when people and governments around the world turn off all lights and electrical appliances for one hour to emphasise the importance of conserving energy to help our planet. As an eco-nursery we emphasise the importance of our roles in saving the planet with the children. If you are able to participate in this experience staff would appreciate any footage you can pass on to the nursery which will allow us to record this in your child's learning story and reinforce children's learning within nursery.
